

IBSCY Ltd Joins Ivanti Expert Solution Provider (ESP) Partner Program

[Limassol, Cyprus] — [July 22] 2020 — IBSCY Ltd, today announced it has joined the Ivanti® Expert Solution Provider (ESP) Partner Program. Together, with [Ivanti](#), the company that automates IT and Security Operations to discover, manage, secure and service from cloud to edge, IBSCY will partner in the delivery of solutions that help organizations rapidly discover IT assets, gain insights into the state of the environment and take action on those insights using integrated processes and technologies.

“Our partnership with Ivanti has the ability to strengthen our ties with security products in the digital workplace and yet provide another innovative solution to our customers”, said George Agathangelou, Services Director of IBSCY Ltd.

“The expertise and customer reach of IBSCY Ltd bring valuable capabilities to the Ivanti channel ecosystem,” said Gary Abad, Vice President of Global Channels, Ivanti. “Together, we can help organizations balance their user requirements with the need to secure critical assets and data.”

“We currently focus on offering our customers the Ivanti® [Unified Endpoint Management](#) solution, as it boosts users experience by remaining productive and secured. We also seek to expand our Ivanti portfolio in the foreseeable future”, said George Agathangelou Professional Services Director at IBSCY Ltd. For more information on this, please visit: www.ibs.com.cy.

The Ivanti ESP Partner Program is offered in four levels, Basic, Silver, Gold and Platinum. The program delivers sales, marketing, and technical enablement resources to help fuel partner success and opportunity growth. For more information, visit: <https://www.ivanti.com/partners>.

About IBSCY Ltd:

IBSCY Ltd is a leading provider of total IT solutions and services in Cyprus and specializes in the areas of cloud services and applications, systems integration, IT infrastructure, collaboration, management and security solutions. Ivanti: Better Experiences, Better Outcomes.

Ivanti automates IT and Security Operations to discover, manage, secure and service from cloud to edge. From PCs to mobile devices, VDI, and the data center, Ivanti discovers IT assets on-premises, in cloud, and at the edge, improves IT service delivery, and reduces risk with insights and automation. The company also helps organizations leverage modern technology in the warehouse and across the supply chain to improve delivery without modifying backend systems. Ivanti is headquartered in Salt Lake City,

Utah and has offices all over the world. For more information, visit www.ivanti.com and follow @Golvanti.
