

IBSCY LTD has achieved the Cisco Small Business Specialization in Greece, Cyprus, and Malta.

[Limassol, Cyprus – August 23, 2021] - Our company is proud to announce that has reached another milestone in its effort to become the leading IT solutions provider in Cyprus and the greater region. Cisco has awarded to IBS the Small Business Specialization in Greece, Cyprus, and Malta which.

This particular certificate is awarded to partners that have demonstrated the advanced ability to design and deploy complex Cisco solutions consistently to small and medium businesses with up to 250 employees. Also, the certificate serves as an indicator to customers that the company possesses the necessary expertise to provide deep knowledge regarding IT relates issues. To achieve this milestone, IBS has ensured that all of its solutions architects have gained the necessary knowledge through extensive training and have passed all certified exams. Hence, customers can rest assured that they can enjoy outstanding customer support whenever they need it.

IBS has once again proven that can provide sophisticated, value-added Cisco solutions through its in-depth sales capabilities, technology skills and service offerings in Greece, Cyprus, and Malta. IBS has successfully completed numerous projects using Cisco's products and solutions such as switches, routers, networking and more.
