

MICROSOFT SOLUTIONS WITH IBSCY

By Olga Papadimitriou – Business Development Officer

The COVID-19 pandemic that continues since March 2020 have widespread and unpredictable impacts on global economies, financial markets, business practices and society, and continues to impact all business operations, including partners, employees, customers, and communities. Under these circumstances a large proportion of companies' workforce is essential to work remotely, and this is an ongoing and challenging task that differs for every company. Nevertheless, the transition from the traditional mode of operation to the modern digital, to be effective, requires various expertise solutions, to ensure the sustainability, competitiveness, and further development of the business.

IBSCY Ltd, being a leading provider of total IT solutions and IT services in Cyprus, specializes in the areas of cloud services and applications, systems integration, IT infrastructure, collaboration, management, and security solutions, offering guarantee high-level of services, products, and expertise. As one of the largest Microsoft cloud providers in Cyprus and in the greater region, IBSCY offer solutions that are flexible and meet the needs of small and medium enterprises in Cyprus and in the wider region. Using IBSCY as your IT contractor for all your IT needs in Cyprus and abroad, you can rest assured that you will get the best quality of services and products, thus, you focus on your business and not in IT issues or projects.

Microsoft Solutions

Microsoft 365 & IBSCY Cloud Collaboration

IBSCY Ltd offers cloud collaboration for companies in Cyprus that allows employees to share, edit and work together on projects. As per Microsoft, Microsoft 365 unlocks the modern ways of working. Whether you're using a laptop or your mobile device, you can easily attend meetings online, share Office files, co-author in real-time, and be productive from anywhere.

IBSCY Ltd as the largest Microsoft 365 partner in Cyprus with more than 45,000 accounts managed daily is fully certified by Microsoft and a gold partner of Microsoft to sell, install, configure, and support Microsoft 365 in Cyprus and abroad. Microsoft 365 is a secure, anywhere access to email and calendars, Office Web Apps, instant messaging, conferencing, and file sharing powered by Microsoft. This service does not require you to purchase any server or additional desktop software, hence a minimum capital investment. Your email security will be updated and managed 24x7x365 and have a continuity plan in the event of a disaster.

The three main solutions offered by Microsoft 365 meet the needs of every customer as it offers a variety of options:

1. Microsoft 365 business plans:

- ✓ Microsoft 365 Business Basic
- ✓ Apps for business
- ✓ Business Standard
- ✓ Business Premium

2. Microsoft 365 Enterprise plans:

- ✓ Microsoft 365 E3

- ✓ Microsoft E5
- ✓ Microsoft 365 F3

3. Office 365 Enterprise plans:

- ✓ Exchange Online (Plan 1)
- ✓ Exchange Online (Plan 2)
- ✓ Microsoft 365 Business Standard

All in all, IBSCY Ltd with its certified partnership with Microsoft in Cyprus offers multiple solutions that enable businesses to grow smoothly and effortlessly at a time when digital business upgrades require major changes compared to their traditional way of operating.
