

We are happy to announce the new partnership of IBSCY Ltd with 3CX (<https://www.3cx.com/>). From this day on we are authorized to sell, setup, configure and maintain all 3CX products.

3CX is a global leader in business communications that offers to businesses around the globe a simple, flexible, and affordable solution to call, video and live chat. With 3CX solutions businesses can improve their customer experiences and increase productivity while reducing costs.

All available 3CX products can be found [here](#)
